The USDTD Ecosystem, comprising *USDTDONOR, **USDTDDEX, and **USDTDPRO, is a ****community-based, collaborative platform*** designed to encourage participation through team-building and contribution. These projects are ***not investment vehicles, financial trading platforms, or ROI-based schemes***. Participation is strictly voluntary and is intended to foster community development through cooperative efforts.

By engaging with the USDTD Ecosystem, all participants expressly acknowledge and agree to the following terms:

1. *No Financial Advice or Guarantees:*

The USDTD Ecosystem does not provide financial, investment, or trading advice. No income, profit, or return on investment is promised, guaranteed, or implied. Any perceived benefits are the result of active participation in the community.

2. *Personal Responsibility:*

All participants are solely responsible for their actions and choices within the USDTD Ecosystem. The organizers, administrators, and community leaders shall not be held liable for any losses, damages, or grievances arising from participation in any part of the ecosystem.

3. *Risk Awareness:*

Participants are advised ***not to contribute or commit significant personal funds*** beyond their comfort level or means. The ecosystem operates on ***community engagement and mutual cooperation***, not on financial speculation.

4. *No Liability:*

Under no circumstances shall USDTDONOR, USDTDDEX, USDTDPRO, or any associated persons be held liable for direct, indirect, incidental, or consequential damages arising out of participation in the ecosystem.

5. *Voluntary Participation:*

By continuing to participate, you confirm that you do so at your own discretion and understand the collaborative, non-investment nature of the project.

By participating in the USDTD Ecosystem, you accept these terms in full. If you do not agree, you should refrain from participating.
